Subject: Update: Community Meetings for the Asian American Historic Context

Dear Advisory Committee Member,

To continue the important effort of establishing the SurveyLA Asian American Historic Context Statement, the City of Los Angeles Office of Historic Resources (OHR) will be holding five

community meetings to provide community members with an overview presentation of the project and an opportunity to share information regarding significant places, people, dates, and events associated with Los Angeles' Asian American history.

The community meeting for the Chinese American context will be on Saturday, March 18, 2017 from 10am to 12pm at the Chinese American Citizens Alliance Building in Chinatown. To RSVP for the meeting please visit the following webpage: <https://surveyla.asianamerican-chinese.eventbrite.com>

Dates, locations, and times for successive meetings will be posted on the SurveyLA webpage listed below. Additionally, I will be sending you an email message as the Eventbrite registration page goes live and the flyers become available. <http://preservation.lacity.org/news/surveyla%E2%80%99s-asian-american-historic-content-statement>

We sincerely hope you can join us as your participation, and the participation of the Asian American community, is essential to ensure that the context reflects a comprehensive history of Los Angeles.

Please let me know if you have any questions.

Regards,
Sara
